They were and emotions very enthusiastic, and he was completely er British or foreign. wrapped in the song. Gaspar was a good hearted fel-

could stand in the way of any caprice or fancy. great feeling the different sentiments of the song. Another verse was sung, and another, but I noticed that Victoria, shall be liable to forfeiture, and will be seized gait and his teeth I do not fear; he is as quiet as a his attention began to be fixed upon the door behind and condemned according to law. me, and presently he stopped abrubtly. Almost at the

Gaspar's stopping would have caused more surprise had it not been that every one felt the influence of the cold draft admitted by the door, and turned toward it "It's a very singular thing about the door" said Gaspar; "you must pardon my interruption, but I vow count for its effects upon me. The wind is cold as Greenland; don't you notice it?"

" Cold as Siberia." "F-, why don't you keep it shut?" "Gentlemen," said I, "I pledge you my word that I have closed that door twice this evening as carefully as I in a corresponding tone.

Some of us had risen from our chairs and were standing; the door was partly open still. I had sat toward the side of the door on which the hinges were, and consequently, as the door opened into the room, I could only see the wall beyond, not outside. But when I had leaned over to shut it I had caught a glimpse of the outside, and a strange unpleasant fancy that I could discern a drapery of black hung without passed through my mind. While Gaspar was speaking I recollected this, and step-

"Well, well, what's the matter now, F--. Shut the door, for God's sake, and lock it." "Gaspar," I cried, turning towards him, and speaking sternly and hoarsely, "if this is a joke, it is in very

bad taste, to say the least!" "What is?" asked Gaspar. "The pall," I answered. " Pall?" he cried. "What do you mean?"

The astonishment evinced by Gaspar was perfectly unaffected; and I was certain that it was no arranged

"Open it! open it!" they shouted. "Excuse me," I returned, "I'll not touch it." There was the greatest excitement in the room. Gassome horrible emotion. His hair stood up, and his eyes

The following beautiful story has been published in

he has had; and therefore, without delaying to make it interior of a vast cathedral. We saw the altar, far down thrown from the saddle of his indifference by the beardless the opportunity of a lengthy dissertation upon the subject, I will proceed to place before the public a paper dotal robes, officiating and burning incense. There was which simply recounts one of those singular phenomena a great concourse of people. In the center of the space we saw a platform, covered with a funeral cloth, and in Whether it was because they were part broiled, writes the midst of it was a coffin. Candles were burning all est as she was fair, and her firm virtue repulsed the numy correspondent, and part fried, a few in the soup, and some in the natural state of the shell; or whether it was simply the fact that they were oysters, and near two standing, and the ceremonies continued. Seeking some

"Come here, Conrade; a most tormenting thought has just occurred to me. This is the very day that Father Nicholas comes to the castle to say mass for my dear wife and myself, and I am not at all inclined to have him as apparently real, and my recollection of it just as clear been drinking too much. Come down, Gaspar, and we in my abode during my absence; so gallop back, and desire your lady, in my name, not to admit the priest."

Conrade paused and shook his head as if in doubt,

and replied, "Excuse me, noble sir, but perhaps the lady Angelica, if left to her own discretion, will do what you "A curse on your perhaps!" exclaimed the knight; "I make all sure by giving the order."

"Do you think so?" replied the squire; "now I in my simplicity believe exactly the contrary. Take the sing had contributed a share to the fund in anecdote and "My friend," he continued, but looking straight advice of your faithful servant for once in your life; let ahead, not at us-" my friends, good bye!
